Re: Grant # 06-4-C-4900

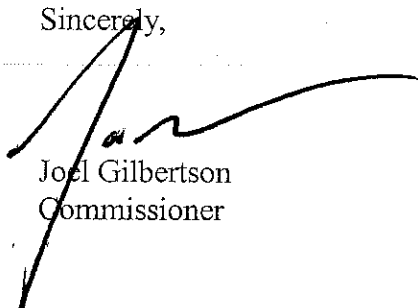

Dear Mr. Gilbert:

On behalf of the Department of Health and Social Services I am pleased to inform you that your agency has been awarded \$50,000.00 in capital grant funds for the Physician Clinic Renovation project.

Wrangell Medical Center (WMC) has secured \$50,000 in cost share funds as required by the Denali Commission. Though the Denali Commission has authorized up to \$265,000 for WMC, we will be drafting a grant agreement for \$50,000 at this time, since this supports the amount that WMC can currently contribute to the project. When WMC is able to secure additional matching funding, we will amend the grant agreement correspondingly. These are Federal funds that the Department of Health and Social Services is administering in cooperation with the Denali Commission.

Michael Frawley, our Grants Administrator, will be in contact with you to obtain the necessary information so that a grant agreement can be drafted. If you have any questions concerning this grant, please contact Michael at 907-465-3942 or email him at [Michael\\_Frawley@health.state.ak.us](mailto:Michael_Frawley@health.state.ak.us). We look forward to working with you to complete this project.

Sincerely,

Joel Gilbertson  
Commissioner
